Search: Marshall County IN

Marshall County is excited to announce the release of its new smartphone application. This app will serve as a new way for the city to connect with Marshall County residents and visitors, providing information quickly and efficiently to anyone with a smartphone.

The Marshall County mobile app was developed by OCV, LLC. The app offers quick access to items of public interest and is easy to use. In just a few clicks, users can access features including:

- News & Events

- Road Conditions
- Park Reservations
- Instant Push Notifications
- Social Media
- Public Health
- Emergency Management
- Corrections
- More!

OCV, LLC specializes in smartphone app development for law enforcement and public safety organizations across the country. Developing more than 500 apps, OCV designs and creates custom apps for state, county and local government agencies.

“Over 80 percent of people in the United States own and use smartphones as their primary means of communication,” according to research.. “Mobile apps offer agencies a better way to alert, inform and prepare the public. Apps allow public safety agencies the ability to reach and serve their citizens where they are: their smartphones.”

The Marshall County (IN) app is available for download for free in the App Store and Google Play. Search “Marshall County IN” or [click here](#) to download the app.
