

E-Recording in Marshall County

The Recorder's office offers electronic recording of documents. We accept most document types for eRecording, including transfer documents that circulate between the Recorder, Assessor, and Auditor. We do not eRecord large format documents such as surveys/plats. We accept documents from the eRecording vendors listed below. Please contact any of our vendors to get started.

[ePN eRecording Partners Network, LLC](#): 888-325-3365

[Simplifile](#): 800-460-5657
